## THE SPIN<sup>in</sup> COMPETITIONS

Competitions play an important part in the program of the Bothwell SPIN<sup>in</sup>

The SPIN<sup>in</sup> has come to be an occasion where textile artists, makers, designers, fibre producers and others have come together in Bothwell from all over the world to test the bounds of their skills and the materials they work with. If they cannot attend in person they send their work or contribute in some other way – and they do so with a sense of fun, to be a part of the fun.
